## OKLAHOMA GOVERNOR IS ARRESTED

### EXECUTIVE CHARGED WITH TAKING BRIBE OF INSOLVENT BANK

#### GIVES \$5,000 BOND FOR HIS APPEARANCE

Is Indicted Together With Several Other Prominent Men on Charge of Manipulation of State Bank Finances—Allege That He Received Part of \$25,000 Cashier's Check

(By The Associated Press)  
OKMULGEE, Okla., March 22.—Governor J. B. A. Robertson submitted to arrest tonight on a charge of accepting a bribe to permit operation of the Guaranty State Bank of Okmulgee while it was in an insolvent condition. The governor immediately made bond of \$5,000 for his appearance at trial.

Wholesale grand jury charges that a series of questionable financial manipulations had been conducted by the bank and were continued after its purchase by the Bank of Commerce here, culminating in the failure of the latter institution were brought to light today when it became known that indictments had been returned against the governor, Fred G. Dennis, former state banking commissioner, and several local capitalists.

Governor Robertson and Dennis were charged with accepting a bribe to permit the Guaranty Bank to continue to operate after they had seen it to be insolvent.

### RAILROADS WANT INCREASED FREIGHT RATES ON CEMENT

#### Would Advance Rates Within State Sixty Per Cent

(By The Associated Press)

INDIANAPOLIS, Ind., March 22.—Increase of freight rates on cement shipments within and between Illinois and Indiana were discussed today at a conference of members of the Indiana Public Service Commission and a committee representing the railroads. The cement shipments within either state, it was said, would be advanced sixty per cent, or more, and interstate rates also would be advanced to a new level.

The Indiana Commission was asked by the carriers' committee headed by T. E. Bond, of Chicago, to support a petition pending before the Interstate Commerce Commission at Washington proposing establishment of the new schedule affecting the several states. The only big changes proposed it was said, would affect Indiana and Illinois and the Indiana commissioners said they might favor the carriers' petition if further study convinced them that Indiana and Illinois would be on a parity.

The carriers' petition was said to affect all cement shipments east of the Missouri river and west of Buffalo and Pittsburgh leaving present rates practically unchanged except as to Indiana and Illinois. Illinois state rates are lower than those for Indiana, while the present interstate rates are lower than those for other mid-western states, according to the conferees.

### ARMY OFFICERS HAVE GONE BACK SINCE THE WAR

#### Give Evidence of Deterioration Due to Great Strain

(By The Associated Press)

WASHINGTON, March 22.—Physical examination of regular army officers now in progress has disclosed the most clear cut evidence of physical deterioration due to the strain incident to the prosecution of the war, according to a medical memorandum in the hands of war department officials. It is based on informal reports from examining officers covering the post-war years and a careful study probably will be made by the medical corps to gather data on which a formal scientific conclusion can be reached.

An outstanding feature noted by attending surgeons in making the annual physical examination of all officers including general officers now required, was the persistently large percentage of officers showing either excessively high or abnormally low blood pressure, according to Surgeon General Harbord, deputy chief of staff.

It is regarded by army medical officers as highly probable that full investigation of this subject may bring to light a positive scientific explanation of some part of the restlessness that has been evident among the former soldiers since the war. It may well be, it is said, that the struggle left a lasting mark upon the thousands of men who underwent severe strain, but to what extent it is expected to measure in among men who so moved in the army only during the war is doubtful.

More Marked in Regulars  
The analyses of the records General Harbord said, will probably show that physical deterioration was more marked in the commissioned personnel of the regular army than in the emergency forces because a larger force of the former was charged with greater responsibilities entailing excessive strain both mental and physical.

Symptoms of physical deterioration noted by the staff of the attending surgeon here included: Instability of the nervous system, characterized more particularly by affection of the vasomotor system. An unusual tendency to worry, fatigue ability, low blood pressure and lowered resistance to all infectious diseases. The doctors agreed in diagnosing the condition found as psychasthenia.

They also have noted "a decided tendency toward increased introspection and mental exaggeration of all forms of worry and mild physical ills."

One peculiarity noted at the army medical school in reviewing reports of examining surgeons was what appeared to be the effect on blood pressure taken in relation to the age of the officers.

### RIVER IS STILL RISING AT MEMPHIS

(By The Associated Press)

MEMPHIS, Tenn., March 22.—With the Mississippi river nearing the 38 foot mark on the Memphis gauge and with the crest of the flood passing Cairo tonight estimates of the height the flood water will attain here by Sunday night when the crest is expected to vary from the height of 41 feet predicted by the weather bureau to 45 feet or more declared by old river men now to be in sight. The crest stage is expected to continue here for two or three days. Practically no loss or damage has as yet been done by the flood at any point south of St. Louis.

### NO AGREEMENT AS YET ON WAGES

(By The Associated Press)

Indianapolis, Ind., March 22.—John McFarland, president of the International Typographical Union in a statement tonight declared that no agreement as to wages and working conditions ever existed between the union and the American Newspaper Publishers' association. His statement replied to one issued in New York by the publishers, which asserted negotiations for a new agreement had struck a snag.

### ALLEGED PLAN TO HARM DELEGATION

MOSCOW, March 22.—The Soviet newspaper Izvestia today published an article accusing the anti-Soviet leader Savinkoff of negotiating with Italian Fascists for the molestation of the Russian delegation to the Genoa conference.

### Earthquake Shocks Felt in this Section

ST. LOUIS, Mo., March 22.—Earth tremors lasting 18 seconds and beginning at 8:22 o'clock this evening registered on the seismograph at St. Louis University. The quake was described as not as severe as the first one at 4:30 this afternoon but was felt in St. Louis and according to reports southeast Missouri and southern Illinois.

### PADUCAH, Ky., March 22.—

Two distinct earth tremors were felt here today, one at 4:26 o'clock this afternoon and the other at 8:24 tonight. Both were of several seconds' duration and doors and windows were shaken.

### TROY, Tenn., March 22.—

Two distinct earth shocks were felt throughout Troy and surrounding west Tennessee counties. The first was felt at 3:30 this afternoon and the second, of much greater intensity, occurred at 8:25 o'clock this evening.

### ANN ARBOR, Mich., March 22.—

Slight earth tremors were recorded on the University of Michigan seismograph late today. Observers could not give any accurate estimate of the location of the disturbance. The tremors continued from 5:33 to 5:45 p. m. central time.

### FLORIDA HOTEL MAN

#### HAULS UP AMERICAN FLAG THEN SALUTES

Also Offers an Apology for Displaying it Upside Down

(By The Associated Press)

ST. AUGUSTINE, Fla., March 22.—Before the full membership of a local American Legion Post and approximately 2,000 spectators, Charles E. Young, Sr., hotel proprietor today hauled the Stars and Stripes to the top of the soldiers' memorial flag pole saluted the emblem and in a brief address apologized for having displayed the flag upside down on his hotel Monday as a "distress" signal.

Mr. Young previously had explained that having spent many years at sea he knew a flag in reverse was a signal of distress and that when he so raised the flag over his hotel he did so with a view to calling attention to the fact that he was "in distress" because a carnival company had pitched its tents on a vacant square in the rear of the hotel and was annoying his guests. Appeals to the authorities, he said, were without avail and the reversed display of the flag was resorted to.

Mr. Young explained that he meant no disrespect to the emblem and when approached by legion officers readily agreed to the ceremony.

### CARNIVAL MAN

#### GETS HEAVY SENTENCE

(By The Associated Press)

DANVILLE, Ill., March 22.—Frank Gillewater, proprietor of a small carnival company, was fined \$4,000 and sentenced to the Leavenworth penitentiary for 26 years today by District Judge English for violating the white slave act.

He was charged with having taken S. Lillian, Merle and Marie Thompson, young sisters, from their home in Pawhusick, Okla., and Gladys Pipkin, of Springfield, Mo., from Kentucky into Illinois for immoral purposes. All four of the girls testified against him two of them alleging he was the father of children born to them. The girls also testified that Gillewater exhibited the embalmer body of his wife, who died a "light" Kansas, at several places in Missouri, finally being forced to bury her.

### SONS TRY TO RESCUE FATHER FROM JAIL

Fort Madison, Iowa, March 22.—A father was sent to a hospital with his head broken and his two sons were arrested tonight following an attempt to liberate the parent from jail.

The police had locked the doors of the station to prevent the rescue of L. J. Hay, which seemed about to take place. A gang, including two sons of the imprisoned man, broke down the door and engaged in a fight with officers. The elder Hay was injured and the two sons, who were taken into custody will be tried on charges of breaking and entering the station and assisting a prisoner to escape.

### PROH. NAVY WILL BE IN OPERATION SOON

Miami, Fla., March 22.—The "Prohibition Navy" will be operating off the Florida coast within the next ten days, according to information given out today at the headquarters of the prohibition agents working Col. L. G. Nutt and E. B. Henson.

### MINERS ARE READY FOR SUSPENSION OF WORK ON APRIL 1ST

#### Impossible to Predict How Long Strike Will Last

(By Associated Press)

INDIANAPOLIS, Ind., March 22.—Apparently without hope of any developments for stalling the coal strike set for April 1 officials of the United Mine Workers tonight declared that the miners were ready for a general suspension of work "week" during the week. None would predict how long the walkout would continue asserting the fight could continue indefinitely.

It was indicated authoritatively that the union officials felt that any wage conference with operators of the central competitive field was doubtful until the big coal stocks now on hand had been depleted. Operators here said the stocks on hand would meet the country's requirements for two months and that meanwhile non-union fields could supply almost half of the normal demand.

While the strike in the soft coal fields hinges on the situation in the central competitive field, the strike in Pennsylvania anthracite fields may be ended before that in the soft coal fields for negotiations now are under way for new anthracite wage agreements. Any new wage scale must be approved by a referendum of the miners affected by it, and the cessation of the strike, officials said, rested with the union's policy committee.

The opinion of union circles was that the committee would end the strike whenever a wage scale acceptable to the men had been negotiated.

Whether the union will depart from its policy of not making agreements for the soft coal fields outside of the central competitive field until a scale has been agreed upon for the latter field is among the questions that is expected to be decided by the union's policy committee.

The question of such a change probably will come before the committee at its meeting in Cleveland Friday in connection with the state agreements in the central competitive fields will be considered by the union.

### MACHESNEY GOES TO NEW POSITION

(By The Associated Press)

CHICAGO, March 22.—Lieutenant Colonel Nathan William Machesney, prominent lawyer and veteran of the A. E. F., where he served as judge advocate at general headquarters has been assigned to the 86th division headquarters by Major General George Bell, Jr., it was announced today. The 86th, known during the war as the Blackhawk Division is one of the three reserve divisions in the sixth army corps, commanded by General Bell.

Lieutenant Colonel Machesney began his military career as an officer of the Illinois National Guard in 1911, rising to the rank of brigadier general in 1917. Numerous other headquarters officers of the division which draws its strength from Illinois also were announced today including Lieut. Col. Watte C. Valentine, who was assigned to headquarters special troops, of the sixth corps, and Lieut. Col. Harry L. Jones, of the inspector's section 5th division headquarters.

### OPERATORS MEET TO DISCUSS PLANS

Chicago, March 22.—The members of the Illinois Coal Operators' Association met today to discuss action for the protection of their property in case of a suspension of work by union coal miners after March 31. The coal operators asserted it was necessary in case of a cessation of work for them to protect an investment of more than \$200,000,000 by keeping up steam, pumping water constantly at many mines, and watching ventilating facilities in practically all of them. Among other protective measures considered were the inspection of all underground working places and the keeping of all passages in safe condition.

### CONFESSIONS TO BEING PRESENT AT ROBBERY

Peoria, Ill., March 22.—John Noel tonight admitted he was present at the time of the robbery of the Atlas Distillers Monday morning of \$10,000 worth of alcohol, according to the police. An alcohol worth \$5,000 was recovered at the home of Noel yesterday. He was released tonight under \$5,000 bond charged of burglary and larceny.

### MIDNIGHT CUREW PUT ON IN PEORIA

Peoria, Ill., March 22.—A midnight curfew will be enforced tonight in Peoria in an effort to reduce crime. Chief of Police Martin has ordered all officers to enforce a city ordinance which calls for the arrest of anyone found on the streets after 12 o'clock who cannot give a satisfactory account of himself.

### GOVERNMENT SENDS PROTESTS TO ALLIES ON RHINELAND ARMY

Is Unable to Agree With the Action Refusing to Give the United States its Share of Money for the Army of Occupation—Says That Germany Agreed to the Plan

(By The Associated Press)

WASHINGTON, March 22.—The American army of occupation was sent into Germany and was continued there upon the basis of the right of the United States to be "paid its actual cost upon an equal footing with the allies" and this government "is unable to conclude that the justice of its claim is not fully recognized," according to identical communications delivered today by American diplomatic representatives to Belgium, Great Britain, France, Italy and Japan.

The notes were occasioned by recent information from American observers in Europe that the allied governments apparently contemplated arrangements which would ignore American army costs altogether altho estimates both for army costs and reparations were being made on the basis of the entire capacity of Germany to pay.

The amount of the claims of the United States for its army costs, the notes declared was determined to be free from any substantial dispute, but it was deemed to be appropriate "in view of recent developments," to acquaint the allied governments with the repeatedly reiterated statement that the United States was expecting full payment of the costs of its army in the Rhineland.

Based on the American claim, the notes pointed out was found in the Versailles agreement to which the United States was signatory and which provided for military occupation of Germany by the allied and American forces jointly. That agreement the notes recited expressly provided that the upkeep of the troops of occupation in the Rhine districts should be charged to Germany and it was expressed as the view of the American government that the armistice equal footing as to the payment of agreement "should stand upon all the actual costs of their armies of occupation."

Priority of payment for the total cost of armies of occupation was imposed by the treaty of Versailles, the notes set forth, and since the right of the United States to share in that priority was not expressly conditioned upon ratification of the treaty by the United States failure to ratify should not be construed as affecting American rights.

### Germany Consented

The notes pointed out that Germany has explicitly consented to the priority of payment of the cost of the American army of occupation notwithstanding the fact that treaty of Versailles has not been ratified by the United States. The note set forth that the total cost of all armies of occupation from November 11, 1918, to May 1, 1921, amounted to \$3,659,282,000 gold marks; that the amount for their army costs for that period to Belgium, France and Italy had been paid in full and that the unpaid balance due May 1, 1921, amounted to 1,669,699,000 gold marks, of which 966,374,000 gold marks were due to the United States and the remainder due to the British Empire. It was pointed out that the British government had received 139,680,000 gold marks between May 1 and December 31, 1921, and that the payment was expressly made to the United States.

The note stated that this government would welcome suggestions for the reasonable adjustment of this matter, and the powers were informed that upon receiving assurance of payment, this government would be only too happy to proceed to the consideration of suitable means, by which its claims might be satisfied.

### LaFollette Opposed

For the opposition the day's debate was opened by Senator LaFollette, Republican, Wisconsin, who denounced the treaty as a British-Japanese scheme to merge the Anglo-Japanese alliance into another alliance binding the United States to support imperialistic policies in the Pacific and the far east. In any conference under the treaty, he said, the American representative was certain to be outvoted by a Japanese-British combination.

Senator Sherridge, Republican of California, and Senator Townsend, Republican of Michigan, also spoke in favor of ratification at the afternoon session. The latter denied there were any entangling "alliances" in the four power treaty or any possibility of such entanglements. He also declared the character of the senate discussion in which he said the motives of the American delegates had been impugned without justification. The conference treaty, he said, "the greatest achievement of civilization in the last half-century."

### SUIT STARTED

WASHINGTON, B. C., March 22.—A writ, charging that General Gregoroff, Semenov, Siberian anti-Bolshevik leader now in Vancouver, wrongfully deprived the firm of C. B. Richard and Co., New York, of furs, skins and hides in transit thru Siberia and sentenced to that company was issued against General Semenov in the British Columbia supreme court today.

The writ claims \$150,000 damages.

### SENATORS ORATE ON TREATY BUT GET NO RESULTS

#### Great Crush Results When Everybody Wants to Talk

(By The Associated Press)

WASHINGTON, March 22.—Eight hours more of oratory today divided about equally between praise and condemnation of the four power Pacific treaty, went into the senate record today as the ratification debate approached its conclusion.

So great was the crush of senators who wanted to get their views recorded before the hour for voting arrives Friday that an all-afternoon session was not sufficient and the senate recessed for dinner and again in the evening.

### On the Side of the Treaty

On the side of the treaty proponents, Senator Pomeroy, Ohio, a Democratic member of the foreign relations committee took up the fight for ratification with a speech telling his party colleagues they could not consistently oppose the four power pact if they had honestly favored the league of nations. He characterized the treaty as a "pocket edition" of the celebrated article ten of the league covenant, and said that altho he would have preferred the league or the "association of nations" advocated by President Harding it would be inexcusable to reject the regional understanding now offered.

REVIVAL CLOSING IN GREENE COUNTY TOWN

White Hall, March 22.—The most far-reaching religious revival in the history of the village of Wrights has just been brought to a close with a record of seventy conversions, and so there has been the results that Sunday baseball seems doomed for the coming season.

Ten conversions resulted from the first three weeks in the Baptist church under Rev. Peak of Manchester, and this was followed by the Methodists under Rev. Thomas Symons of Rockbridge, who in three weeks added sixty conversions to the list. Rev. Symons is in charge of the Greenfield circuit of the M. E. church, and his record at Wrights has brought a religious and moral awakening that seems destined to be far-reaching in its effects.

## UNION SERVICES TO START NEXT WEEK

Protestant Churches Will Hold Union Services—Will Be Held in Various Churches.

The union services of the churches of Jacksonville will begin next week and continue up to Saturday. There are ten churches united in this service and the public is requested to attend these services at all the churches where preaching is to be held. It is a get-together idea and is for the purpose of creating a more friendly and cooperative spirit among the various denominations.

On Monday night services will be held at the Centenary church and Tuesday night at the Congregational church, Wednesday night at Westminster and Thursday night at the First Baptist church and Friday night at Central Christian church.

Who will deliver the sermons at these various meetings will not be announced but the public and members of the various churches are requested to attend as many of these meetings as possible.

ROAD OIL CONTRACTS ARE SIGNED BY COMMISSIONERS

The county commissioners have signed the contracts with the Roxana Petroleum Co., calling for the furnishing by the company of more than a million gallons of oil for Morgan county roads this season. The purchase price is to be 4.8-3 cents per gallon for the E 2 specification and 4.92 cents per gallon for the E 1 specification. The latter is an asphalt base oil and will be used mainly in this county.

About half of the oil is to be used on state aid roads and the other half will be sold to the various road districts in the county. Districts interested in the purchase are Nos. 1, 2, 4, 5, 6, 8, 9, 10 and 13.

The oil is to be shipped from Woodruff and the price given above includes the freight charges from that point. The Roxana Co. has also secured the contract for supplying a million gallons of oil in Sangamon county at the same price which applies to this county.

## W. P. FLINT GIVES TALK ON CHINCH BUG

State Entomologist Made Address at Farm Bureau Headquarters Yesterday—Prof. J. C. Hackleman of College of Agriculture Also Speaks.

W. P. Flint, state entomologist, was heard by a large number of Morgan county farmers in an address Wednesday afternoon at the farm bureau headquarters. The theme of Mr. Flint's address was the war on chinch bugs, and he made many worth while suggestions for combating these pests.

At the farm bureau headquarters Wednesday morning Prof. J. C. Hackleman, head of the Crop Production department of the College of Agriculture discussed methods of selecting seed corn. A number of men who attended this meeting brought with them samples of seed corn, and these were examined by Prof. Hackleman and their good and bad points noted.

It was the statement of Prof. Hackleman that tests have proven that the smooth types of corn are most free from disease. The starchy ears are as a rule more diseased than others, and the heavy type has been found to yield more than the starchy.

In discussing the habits of the chinch bug, Mr. Flint emphasized the fact that they feed only on plants belonging to the grass family, such as corn and all the small grains. Since the depredations of the chinch bug are confined to these plants, the speaker urged the planting of large acreages of forage crops such as red and sweet clover, cowpeas, soy beans and alfalfa.

Mr. Flint also brought out the point that the chinch bug avoids damp fields as much as possible, as it is here and its worst enemy, the white fungus, flourishes. He declared that by the growing of some cover crop in and between the corn rows the earth is kept in a damp condition and thus comparatively free from chinch bugs. The soy bean is the best crop for this purpose.

The soy beans and the corn may be planted at the same time by using a bean attachment on the planter, two or three beans per hill being the proper number to plant.

It was the statement of Mr. Flint that certain varieties of corn are able to withstand the attacks of the bugs to a far greater extent than is true of other varieties. It has been found that the Champion White Pearl, Democrat, Black Hawk, Golden Beauty and Commercial White varieties are among those which most successfully resist the chinch bugs.

The speaker urged Morgan county farmers to grow some one of the type of corn named above, but said that as these varieties have not been extensively grown in the corn belt, it might be wise to go somewhat slow the first season or two.

## Chicks grow and Grow and GROW

You will be surprised how rapidly your chicks will grow when fed on Blatchford's Chick Mash (formerly Blatchford's Milk Mash). Many users say they can almost see the little fellows grow. In fact there isn't another feed on the market that will push them along as rapidly, or as satisfactorily.

## Blatchford's CHICK MASH

(formerly known as Blatchford's Milk Mash)

Blatchford's is not simply a feed for chickens. It is a carefully milled and prepared milk-substitute which is used by the most prominent poultrymen in the country for starting and growing their chicks. We recommend it. A trial will convince you that it is in a class by itself.

## COULD NOT TURN IN BED

Operation Avoided by taking Lydia E. Pinkham's Vegetable Compound

Dayton, Ohio.—"I had such pains that I had to be turned in bed every time I wished to move. They said an operation was necessary. My mother would keep saying: 'Why don't you take Pinkham's, Henrietta?' and I'd say, 'Oh, mamma, it won't help me, I've tried too much.' One day she said, 'Let me get you one bottle of each kind. You won't be out very much if it don't help you. I don't know if you will believe me or not, but I only took two bottles of Lydia E. Pinkham's Vegetable Compound and one of Lydia E. Pinkham's Blood Medicine when I began to get relief and I am regular ever since without a pain or a headache. When I lie down I can get up without help and without pain. I can't begin to tell you how I feel and look. I have begun to gain in weight and look more like I ought to. I think every day of ways I have been helped. Any one who does not believe me can write to me and I will tell them what shape I was in. I am ready to do anything I can to help your medicine.'"

MARCUS SHOW COMING FRIDAY TO THE GRAND

It is not frequently that theatergoers outside of New York have an opportunity to see a real Revue of the type of the Ziegfeld "Follies" or the Winter Garden Shows because of the very heavy expense of transportation of such an organization. The Marcus Show and the Greenwich Village Follies are about the only companies that have withstood the heavy cost of transportation for transcontinental tours.

This season the Marcus Show, carrying nearly a hundred people has visited practically every large city from coast to coast, extending their tour as far north as Canada and south to New Orleans. The popularity of this company has made such a tour possible.

The company headed by Charlie Abbot, the diminutive comedian, is made up of a number of well known artists whose reputations in vaudeville and musical comedy have placed them at the top of the ladder. Such clever performers as "Runaway Four" the highest salaried quartet of acrobatic dancers; Stanley and Byrnes, singing and dancing comedians; Polly Day the American Toby Claude, Robert Long, Marie and Oliver Vespo, Billy Dale and a score of others, make up an aggregation of talent seldom seen in one musical organization.

The Marcus show will be here Friday evening March 24th at the Grand Theatre.

FOOD LESSON No. 15

A Pint of Milk In Every Pound

For every pound of GOOD LUCK Spread-for-Bread a pint of full-cream milk is used.

Every pound contains in its milk alone the caloric food value of five eggs—

—or of four large chops, or half-a-loaf of bread.

Thousands of gallons of this nourishing milk are used daily in churning GOOD LUCK.

Full-cream milk only is used—pure and sweet—fresh from the thoroughbred, pedigreed herds on over 300 dairy farms in the Elgin Dairy District of Illinois.

Jeke GOOD LUCK is wholesome and nutritious. It contains heat, energy, growth and repair food elements. Children thrive upon it; as do also adults.

It is at once a wholesome food delicacy, adding delicious flavor to the foods upon which it is spread; and also it is the woman's way of saving. Use—

## BETTER THAN CALOMEL

Thousands Have Discovered  
Dr. Edwards' Olive Tablets  
are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after-effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clear" clouded brain and "wake up" the spirits. 15c and 30c.

## COAL HAS INCREASED 100 PER CENT SINCE 1914 IN ILLINOIS

Committee Says High Cost Due to High Price of Mining

(By The Associated Press)  
CHICAGO, March 22.—The average increase in the cost of coal at the mine since 1914 has been 105 percent in replies to a questionnaire sent to nearly 400 consumers with an approximate annual consumption of 12,500,000 tons of soft coal.

The questionaire was sent by a special committee of the Illinois Manufacturers' association which today made public its report. The percentage of increase varied 30 to between 300 and 400 percent.

The high cost of coal, the committee said, was due to the high cost of mining in which the following factors were found to enter:

War time wages of miners, constituting 70 percent of the operating cost; voluntarily absenteeism of miners, operators claiming it now takes three men to do what two did before the war; high cost of material and supplies; increase in general expenses including compensation insurance which has advanced over 300 percent; increase in office expenses due to requirements of accounting established by the government and increase in selling expenses due to efforts to sell coal in competition with non-union eastern coal.

The majority of coal operators during 1921 operated at a loss, the report said. The average profit for most operators was 15 percent.

The report also stated that the average margin return of these mines was 45 cents per ton. After expenses were paid the return was between 6 and 7 percent on capital invested the report said. There has been a steady decline in coal prices in all markets during the past eight months the report says.

**HOUSE APPROVES ARMY MEASURE**

WASHINGTON, March 22.—The house gave its approval today to a provision of the army appropriation bill which would require the reduction by July of the regular army enlisted strength to 115,000 men and then proceeded to enter upon a prolonged discussion of whether congress should direct the return of certain troops stationed in China, Hawaii, the Panama Canal zone and on the Rhine.

The bill provides that before the beginning of the coming fiscal year approximately 6,500 troops stationed in Hawaii, 2,000 men on duty in the canal zone and the entire force of 600 garrisoned in China as well as all but 500 men and officers in the army of occupation in Germany must be brought back to the Continental United States.

Representative Crago, Republican, Pennsylvania, raised a point of order against the provision on the grounds that congress was attempting to usurp the power of the president to direct troop movements. It was overruled by Representative Longworth, Republican, Ohio, presiding, who declared he believed congress in appropriating for maintenance of troops could properly place such limitations on the president and war department.

A motion to eliminate the provision from the bill was then made by Representative Rogers, Republican, Massachusetts, but the house adjourned before a vote was taken.

The bill will be taken up again Friday.

**TALK OF ELECTRIC SERVICE FOR FARMERS**

SPRINGFIELD, Ill., March 22.—Appointment of three of its members and three of its technical experts to meet with representatives of electric companies, the Illinois agricultural association and county farm bureaus was made by the Illinois Commerce Commission tonight as a result of today's hearing on rural electric service rates in Illinois.

The hearing, attended by representatives of the farm organizations and practically all the large utility companies of the state, was the result of a proposal to change rules governing rural service and affecting all electric companies and their rural consumers.

**DECISION FELL LIKE BOMBHELL**

BERLIN, March 22.—The decision of the reparations committee on Germany's request for a moratorium, with the details of the payments to be made and the guarantees to be given, were printed in the afternoon papers here today. The decision fell like a bombshell in the official quarters in Wilhelmstrasse and in the Reichstag created anger and dismay.

**HOTEL PHYSICIAN ON WITNESS STAND**

SAN FRANCISCO, March 22.—Dr. Arthur Beardslee, resident physician of the Hotel St. Francis and the first doctor called to attend Miss Virginia Rappe, film actress, was one of the principal witnesses today in the third trial of Roscoe Arbuckle film comedian on a manslaughter charge growing out of Miss Rappe's death.

Dr. W. F. Wakefield, proprietor of the sanitarium where the film actress died was another witness.

**ANTHRACITE JOINT CONFERENCE STILL ON**

NEW YORK, March 22.—After being closed for two days in joint conference, members of the anthracite miners and operators' wage arbitration committee of eight announced tonight that they were still at loggerheads.

One more session will be held tomorrow in a final attempt to settle wage differences before labor members of the committee leave for Cleveland to marshal the six hundred thousand anthracite and bituminous miners of the nation for the general strike ordered for April 1.

**LOOK FOR PASSAGE OF BONITOS MEASURE**

WASHINGTON, March 22.—Extreme confidence that the so-called Bonitos measure will be passed by the house before sundown tomorrow was expressed today by Republican leaders. The last preliminary step to the presentation of their program was taken today with the adoption by the rules committee of a resolution making tomorrow a special suspension day and setting aside four hours instead of the usual 40 minutes for debate.

**PER CAPITA TAX IN ILLINOIS TAKES JUMP**

(By The Associated Press)  
CHICAGO, March 22.—Declaring that the per capita tax in Illinois has increased 206 percent in the last 11 years, John M. Glenn, secretary of the Illinois Manufacturers' association in an address before the Lion's club of South Chicago tonight urged his audience to join the Illinois taxpayers' league. Mr. Glenn explained that the purpose of the league is the preparation and distribution of books and pamphlets and statistics dealing with taxation and the expenditures of public moneys with a view to the establishment of an equitable system of taxation.

"Every man, woman and child in Illinois carried a burden of \$33 a year in taxes in 1920 an increase over 1910 of \$18 a year," he said.

**DISCUSS DIVISION OF ROTARY DISTRICT**

SIOUX FALLS, S. D., March 22.—The question of dividing the sixteenth Rotary district, comprising the states of Iowa, South Dakota, Nebraska and composed of 69 clubs, was the main point of interest before the delegates attending the second day's sessions of the district convention.

There is said to be strong sentiment among certain members of the organization in favor of redistricting the territory because of the large number of clubs which makes the sixteenth the largest district in the country. Another element is said to oppose the division and a hot fight is expected to develop in the final sessions.

**HERE'S STATE NEW YORK CAN'T STAND**

NEW YORK, March 22.—The city thru its board of estimate and apportionment, today postponed judgment of Frederick McMonnies' statue of "Civic Virtue" for two weeks.

At a lively hearing before the board presided over by Mayor Hylan, friends and enemies of the statue which was designed at a cost of \$60,000 for City Hall Park had their say. Members of women's clubs said they thought the statue an insult to womanhood, while sculptors and persons identified with Art Societies insisted that such thought was intended by McMonnies, that the marble was destined to be one of the world's great pieces of statuary.

The meeting seemed to be making no headway and Murray Halbert, president of the board of aldermen, moved that the case go over for two weeks in order that more women might give their views.

## FORMER WEALTHY WOMAN PENNILESS

Mrs. Sarah Tabor Tried for Alleged Murder of Daughter is Now Charge on County.

PAW PAW, Mich.—(By the A. P.)—Mrs. Sarah Tabor, formerly one of the wealthiest women of Van Buren county, and who de-

spite her advanced age underwent the ordeal of a trial on a manslaughter charge in connection with the death of her daughter, Maud Virgo Tabor, a few years ago, may spend the remainder of her life in the Van Buren county infirmary an object of public charity.

The county board of supervisors at present is writing one of the final chapters in the life of this woman, member of one of the oldest families of southwestern Michigan. The board is considering a proposal to place her in the county institution, she having become penniless. The family fortune was swept away during her trial here.

The body of Mrs. Tabor's daughter was found in a chest in the basement of the Tabor home. Death had taken place months before the discovery. After considerable investigation Mrs. Tabor was brought to trial. The officers held to a theory that the woman died from the effects of an anesthetic administered during childbirth.

After a trial that attracted national attention because of the unusual features of the case and the high standing of Mrs. Tabor in her community the jury disagreed. She was not again brought to trial.

Her fortune gone, Mrs. Tabor, appearing more aged and pitiable than when first taken into custody but with her spirit unbroken, de-

cided to leave Lawton, where the family home was located, and where in former years she had held her head high as one of the leading women of the village. She chose to go to Lake county Michigan.

All of the trials that usually befall an aged woman alone in the world and virtually without friends have beset her since she went to another part of the state, according to reports reaching here. The Lake county authorities refused to provide for her further after she became dependent upon charity and notified Van Buren officials they would be expected to pay the bills of her support. Local officials have asked that the aged woman be sent here, to be cared for by this county.

### ALLEGED SCHEME TO FLEECE PUBLIC

Chicago, March 22.—Charges of a stock swindle thru operations on the New York "cure" market were made in a suit brought by Charles F. Lemon of Glencoe, Illinois, today against S. H. Goldberg of Chicago. The suit named Pierpont Potter, C. C. Perdue and C. T. Morgan, all of New York, as co-conspirators of Goldberg in a "scheme to fleece the public out of \$15,000,000."

Lemon in his petition charged that after Chicago business men were induced to invest \$200,000 in the Savold Tire Corporation, the stock was manipulated on the New York curb market.

Goldberg was said to be the president of the Hump Hairpine Manufacturing company of Chicago and former president of the Savold Corporation.

### POLAR BEARS TO HOLD REUNION

The Polar Bears, composed of former service men who campaigned in Northern Russia, are to hold a reunion in Detroit, Michigan, from May 27th to 30th inclusive.

A temporary committee has been appointed as follows: Col. J. Brooks Nichols, chairman; Joel R. Moore, vice chairman; E. A. Ballard, executive secretary-treasurer. Trustees: Adolph Anselmi, Dwight Platler, Frank E. Olshchewski. General Committee: Walter I. McKenzie, Walter Dunton, Dr. Wynand Pyle, Philip Morosco, John Gaber, A. A. Muntz, Samuel Sherline.

Headquarters have been established at 709 Free Press Building, Detroit, Michigan.

It is the utmost desire of the committee that all service men who campaigned in Northern Russia communicate with this office, advising their present address, in order that information regarding this reunion may be forwarded to them from time to time.

Forestry clubs are to be organized in each county of Georgia to aid in protecting the forests and to prevent the waste of forest products.

## CRIMES AGAINST STATE BANKS MADE PUBLIC

Chicago.—(By the A. P.)—Twenty-four crimes, twenty-one arrests and three convictions are the February record for banks with membership in the Illinois Bankers' association, officials announced here.

Crimes against Illinois banks during the month were eight burglaries, six of which were unsuccessful, fifteen forgeries and one embezzlement.

Twelve messenger robbers and nine forgers were arrested and either indicted or held to await grand jury action. Two forgers and one of the loka bank robbers were convicted.

"There have also been a number of arrests and four convictions of men charged with having burglar tools and explosives in their possession, on which we are unable to fix any certain jobs as far as the banks are concerned," report from the association's protection department said.

### GERMAN SPECIALIST DENIES REPORT.

RIGA, March 22.—As Dr. Felix Klemperer, noted German specialist, passed thru Riga today on his way to Moscow soviet officials denied the report that he was going in answer to a summons to attend Premier Lenin. They asserted his mission was to investigate epidemics in Russia and the Germans to prevent their spread in western Europe.

### INVITES MINERS TO CONFERENCE

Terre Haute, Ind., March 22.—Phil H. Penna, secretary of the Indiana Bituminous Coal Operators' Association in a letter sent today to officials of District No. 11, United Mine Workers of America, renewed an invitation to mine workers of the Indiana field to meet with operators to work out a wage scale for the district.

Watts, Mary S. House of Rimmon. Mrs. Watts has never done better work than in this novel. It is an engrossing novel of New York's literary and dramatic circles. We follow Cleve through his apprenticeship to life as soldier, bartender, and an old man in a hotel. Those who have read her other novels will be pleased with this one.

STILL HELD 100,000 GALLONS OF MASH; OH MY! St. Louis, Mo., March 22.—A concrete vat containing 100,000 gallons of whisky mash, seized by prohibition enforcement agents in a raid in St. Louis county was dynamited this afternoon. Three men were arrested and three stills destroyed.

## PLANS FOR SPRING OPENING OUTLINED

Trade Extension Committee of Chamber of Commerce Completes Arrangements Wednesday—To Be Held in Connection With Auto Show.

A big Spring Opening and Window Display for Jacksonville to be staged next week in connection with the Auto Show and Merchants' Extension is the plan of the Trade Extension Committee of the Chamber of Commerce as decided upon at a meeting of this committee held at the C. of C. rooms Wednesday morning. The following letter to Jacksonville merchants gives the plan in detail and gives an idea as to the attractiveness and novelty of the display as arranged:

All windows are to be especially decorated in spring merchandise, coats, hats, rakes, flower seed, etc., or in other words whatever your particular line may be.

In order that the effect may be greater all windows are to be covered at noon on Monday to

shut out the public view while your display is being put in.

All windows will be uncovered and lights turned on at 7 o'clock Monday evening, March 27th. The signal for the uncovering of windows will be the blowing of the whistles and the ringing of bells throughout the city.

To make the effect greater all stores are to be lighted inside on that evening. Coverings should be kept off of the stock and as good a display made as possible, stores are to remain closed, the people viewing the interior of the store from the outside. (Monday night only.)

Decorate the front of your store in National colors, interspersed with blue and gold (Jacksonville's colors) and use blue and gold in window decorations whenever possible. Colors to remain up all week.

Stores not having opportunity to make a display can help by leaving their windows darkened until the whistles blow.

Make frequent changes in window display and light windows each evening during the week.

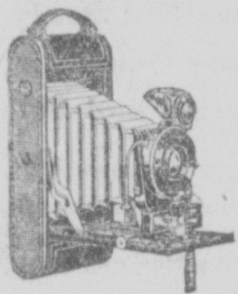

Make the business district bright and attractive during the week.

At the meeting yesterday the trade extension committee made some plans for the coming season in which they are preparing for a series of events to be staged during the spring and summer. While these plans are being formulated the committee will meet twice every month, the first and third Wednesdays in the month. Among the contemplated plans are some 600 acquainted trips to all the neighboring cities. Automobile tours to all the towns will be made at the rate of one or two a week. This is one of the ways in which the committee plans to establish friendly trade and business relations with surrounding communities and thereby boost Jacksonville as the best trading center in this part of the state.

## DECATUR MAN WILL BE HERE

The local Chamber of Commerce has received word from W. F. Hardy of the Decatur Herald and chairman of the Decatur City Plan Commission, that he will arrange to be here on Thursday, March 30th, to address the Chamber of Commerce Forum on City Planning for Jacksonville. It is also possible for Mr. Hardy to be present at the Kiwanis luncheon and to make a short address on the same subject before the local Kiwanians. In addition to Mr. Hardy, another speaker, either from Chicago or St. Louis, will be secured. At this time however the arrangements have not been completed with the other speaker.

## GEORGE GUNN WILL SING FOR RADIOPHONE

Mrs. John T. Gunn residing west of the city has received a letter from her son George Gunn telling her he will sing for the Radiophone people in Chicago Friday evening.

As friends of Mr. Gunn know he has been studying in Chicago for some time and is possessed of a magnificent voice. Those who have Radiophones will no doubt be glad of the opportunity to hear him.

In his letter to his mother Mr. Gunn tells her to find out who have radiophones in Jacksonville and invite herself to be present for the concert. The concert will be sent out from K. Y. W. station in Chicago. Prior to the concert which begins at 8 o'clock there will be a bedtime story told. This will be at 7:30 o'clock.

Mr. Gunn says for these people to get their instruments tuned so they will be ready for the concert when it starts.

## MUCH INTEREST IS BEING SHOWN

Local Residents Investigating Possibilities of Building and Loan Association to Solve Housing Problem.

There has been increased interest shown among investors in the local building and loan association since the Chamber of Commerce Forum meeting on the subject of housing was held some time ago. At this time the situation was gone into extensively and since that time over two hundred shares of stock have been taken out in the Jacksonville Building and Loan association.

The special committee composed of sixteen men appointed by the Chamber of Commerce to assist the building and loan directors will be called together the early part of next week for a general conference and school of instruction as regards the more intricate workings of a building and loan association, before the members start on their canvass for additional stock subscriptions.

Owing to the increased demand for the erection of houses in Jacksonville it is necessary for this committee to start at once. If 1,000 subscribers are secured at an average of 10 shares each, or \$10 per month per man, this will mean that the loaning power of the association will be increased \$1,000 per month. The number of shares that may be purchased is not limited in any way and one may buy as many or as few as he is able.

These figures show however the benefit which will result to local building if several hundred new subscribers are secured. The reason is simply asked for ten times as much money as it possesses and it is hoped that the citizens of Jacksonville who are interested in the growth of the community will respond liberally to solicitations for new stock holders.

## ZOELLNER QUARTET

The resume of the history of the Zoellner quartet which plays in the Illinois College Artists-Serios Monday evening, March 27, reads like a novel. Like all artists they found their path up Parnassus a narrow one strewn with briars of disappointment and deprivation. Not for a moment, however, did they lose sight of their life dream, which was at last realized when the musical world, both in Europe and America, warmly welcomed their organization as one of the greatest String Quartets of this or any other day. Small wonder, then, that reference is made to them as "something unique in the annals of chamber music organizations," or that the conservative musical papers, when they glowingly terms their "unparalleled ensemble, exquisite perfection of tone shading and marvelous unity of spirit." For the Zoellners have undergone a preparation for their particular line of musical art which is probably without a precedent in the annals of chamber music organizations. Dominated by the same restless purpose, undergoing the same joys and sorrows, walking hand in hand along the hard upward road of artistic endeavor, burning with a mutual enthusiasm for their work, their art has, in the crucible of the years of continuous labor, fused into a perfect and harmonious whole, the beauty of which is as splendidly inspiring as it is unique. While America, by reason of birth and citizenship, has the honor of claiming as their own this famous quartet, the entire musical world of two hemispheres has just cause to rejoice in the possession of the Zoellners.

The Zoellner quartet has played in practically every important city in the United States and Canada during the past nine years. During this time they have given approximately eleven hundred concerts.

## 8% New Form of Profit-Sharing Non-Callable SECURITY

Offered Direct by the Largest Concern of Its Kind in the World

The Davis Boring Tool Company started 18 years ago with \$1,000 capital. Today it is the largest concern of its kind, with an uninterrupted growth that has resulted almost entirely from earnings. Only \$10,000 of outside capital has ever been brought into the business.

Each year the plant capacity has been enlarged from profits, but the volume of demand has grown so rapidly that it is now desirable to provide additional capital to care for the large number of profitable orders that have heretofore been declined.

The Company has practically no competition, due to the demonstrated merit of its product which is fully protected by strong basic patents. Davis Boring Tools are used exclusively as standard equipment by 98% of the railroads of the U. S. and Canada and by 60% of those in foreign countries. The enormous winning business in the automobile and general industrial field will increase our volume many times.

Our average yearly earnings for past six years have been over 22% on the net worth of the business. These large profits are assured because we virtually dictate prices of our product as a result of our firm control of the field.

This new and attractive form of security assures you a perpetual income of 8% a year and in addition share equally in the profits of this firmly established big profit earning business.

## How Firestone Has Reduced the Cost of Tire Service

Size	Jan. 1921 Prices	Jan. 1922 Prices	Reduction
30 x 3 Fabric	\$18.75	\$ 9.85	47%
30 x 3½ "	22.50	11.65	48%
30 x 3½ Cord	35.75	17.50	51%
32 x 4 "	56.55	32.40	43%
33 x 4½ "	67.00	42.85	36%
33 x 5 "	81.50	52.15	36%

HOW the cost of building quality tires has been brought down to the lowest level in history was explained by H. S. Firestone, President of the Company, to the stockholders at the annual meeting on December 15, 1921.

1. All inventories and commitments at or below the market.
2. Increased manufacturing efficiency and volume production reduced factory overhead 58%.
3. Selling costs reduced 38%.

Mr. Firestone stated, "This reduction in prices is made possible by our unusually advantageous buying facilities, and the enthusiasm, loyalty and determination of our 100% stockholding organization."

"Due credit must be given to Firestone dealers who are selling Firestone tires on a smaller margin of profit. This brings every Firestone saving direct to the car-owner."

The saving through first cost plus the saving through high mileage doubles Firestone economy and is daily adding new fame to the Firestone principle of service—

PRICE OF WHEAT  
LOOK UP AND SWING

By Associated Press.

CHICAGO, March 22.—Wheat  
took an upward swing in price  
today largely as a result of signs  
that foreigners were purchasing  
future delivery contracts here.

The market closed unsettled 1 1/2  
to 1 3/4 c net higher with May  
\$1.36 1/2 to \$1.37 1/2 and July \$1.19 1/2  
to \$1.19 3/4. Corn gained 1/4 c to  
1 1/2 c and oats 1 to 3/4 c. In pro-  
vision there was a setback ranging  
from 7 1/2 to 9 c.

At first scattered selling on the  
part of holders of wheat met  
with but little demand from buy-  
ers and with bearish traders con-  
sidering that a considerable im-  
provement in export business  
could be necessary to bring about  
any decided advance. No sales  
for export were announced and  
favorable crop reports acted also  
as a bearish influence during the  
early dealings. It was at this  
junction that future delivery  
wheat buying developed which  
came to a liberal extent from in-  
terests that generally operate on  
foreign account. Besides gossip  
was current that Germany had  
acquired a good deal of Argentine  
grain which was on ocean pas-  
sage and which previously was  
without sufficient financial back-  
ing. Under such circumstances  
gains were fairly well maintained  
at the last despite talk that the  
upposed foreign buying of fu-  
ture deliveries had been really  
for a Chicago trader who was  
trying to keep out of view. Sc

C. R. LEWIS COMPANY ELEVATOR BURNED

C. R. Lewis and Company who have their main offices in Springfield, and grain elevators throughout central Illinois, sustained a severe loss by fire Tuesday night when their elevator burned at Carman. The origin of the fire is unknown and the building was a total loss. The structure was a modern one and was built less than two years ago. There were three thousand bushels of corn in the building at the time and this was also destroyed. The financial loss is estimated to be between \$12,000 and \$15,000 and is fully covered by insurance. The fire was fought by a squad of local fire fighters and its spread to other buildings was guarded by them with the result that no other damage was done.

CLUBS AND SOCIETY

Entertains High School Athletes. Coach John Mitchell of the high school was the host at a six o'clock dinner given last evening in the blue room of the Peacock Inn in honor of the high school basketball and foot ball men who have received "Is" this year. There were seventeen letter men present and Principal Shafer was also a guest. An excellent dinner menu was served and during the evening the men made informal speeches. The guests were Palmer Hunt, Albert Arter, Lee Henry Goebel, Harold Hunter, John Putnam, George Houston, Harold Kamm, Charles Hopper, Elton and Richard Arnold, Harold Hopper, Walter Kupler, Russel Deatherage, Edward Lewis, Kent Bracewell, Ralph Corbridge and John Hackett.

Entertains Club. Mrs. Fred Eyre entertained the members of her bridge club yesterday afternoon at her home on West College avenue. Two tables were made up for bridge and after several hours spent in playing the hostess served a delicious luncheon.

Hostess to Lutheran Ladies. Miss Margaret Tholen entertained the members of the Lutheran Guild Wednesday afternoon at her home on West Lafayette avenue. There were a large number of ladies present and they spent the afternoon in sewing for the church. A short business session was held and a number of important matters were considered. At the close of the afternoon a pleasant social hour was held and the hostess served attractive refreshments.

Hostess to Wednesday Class. Mrs. F. S. Hayden was the hostess at the regular meeting of the Wednesday class yesterday afternoon at her home on West College avenue. Mrs. A. B. Applebee had charge of the afternoon's program and read a number of letters from her sister Miss Mary Wadsworth who is in France doing reconstruction work with her uncle Dr. Julian Wadsworth at Chateau Thierry. The letters were very interesting and told of the splendid work which American people are doing in France. After the program the hostess served afternoon tea.

Serve Supper at Grace. A number of ladies of Grace church served supper last evening in the social rooms of the church before the regular Wednesday evening prayer services. A large number of church people and their friends were in attendance. Mrs. Clarence Reid was chairman of the committee in charge of the supper and she was assisted by Mrs. A. E. Williamson and Mrs. L. B. Spires.

PUBLIC SCHOOLS TO AID IN CLEAN UP WEEK

Pupils of Public Schools Will Aid in Material Way in Clean-Up and Paint-Up Campaign—Chamber of Commerce Offers Prizes.

The public schools of the city are to have an active part in the clean up and paint up campaign which is now being planned. Miss Maude Ryman is chairman of the committee which is in charge of the work in the public schools and the plans for the observance are under her direction.

One of the features planned for the campaign is an entertainment to be given at the high school April 14. Each of the city schools will have a part in the program, each feature of which will be relating to some phase of the clean-up week. The pupils of the David Prince school are to present a playlet, "Keeping the City Clean" in which twenty boys and girls will have part.

The Chamber of Commerce is adding materially to the interest in the project by offering cash prizes amounting to \$12.50 for the best art posters prepared by school children and bearing upon the general subject of the campaign. Miss Harriett Seibert, art superintendent is in charge of this contest.

The Boy Scouts are to have an active part in the clean up program, distributing literature and superintending the inspection of various premises. They will also take pictures of yards which are reported to be in an unsightly condition at the close of the campaign.

ATTENTION K. OF C. Regular meeting tonight. Lecture on "Present Day Conditions in Europe." All members urged to attend.

CHARGED WITH VIOLATING LAW

Alex Platt was arrested yesterday by Constable Hutchinson on a warrant sworn out in Justice Arisman's court charging violation of the fire hazard law.

The warrant was issued by a deputy state fire marshal because of the alleged condition of property owned by Mr. Platt in South Mainville street.

Mr. Platt appeared in Justice Arisman's court and gave bond in the sum of \$100 for his appearance Tuesday, March 28.

Joseph Mendonsa, who was arrested for the third time recently on charge of failing to clean up his premises to comply with the fire laws was before Justice Arisman yesterday. It was shown that Mr. Mendonsa had already taken steps toward carrying out the orders of the state fire marshal. As he has already paid two fines the third charge was dismissed.

DEATHS

Bell. The death of John Bell occurred at Our Saviour's Hospital Wednesday morning at 11 o'clock. He had been under treatment for some time and had been in ill health for the past five years.

Decedent was born in the state of Kentucky, December 27, 1865 and spent his early life in that state, coming to Illinois and Morgan county some 15 years ago. He lived on a farm in the Pisgah neighborhood until recently when he moved to a farm near Prentice.

Surviving are the widow and three step children, Jesse and Ernest Morrow and Mrs. Cleo Adams of Bushnell, Illinois. The remains were removed to the undertaking parlors of J. H. O'Donnell. Funeral services will be held Friday afternoon at the Union Baptist church at Pisgah and burial will be in the cemetery at Pisgah.

Smith. Death came to Raymond Smith at his home in the vicinity of Concord Tuesday evening at 6:30 o'clock after an illness of three days. Decedent was born in the same community in which he has lived all his life and was twenty-seven years and nineteen days of age. He was the son of Mr. and Mrs. Marshall Smith and received his education in the Mt. Vernon country school and by occupation was a farmer.

December 31, 1914 he was married to Miss Nona Coultas of Winchester. Surviving is the widow and his parents and a brother, Otis Smith, of this city.

Funeral services will be held today at 2:30 o'clock at the Methodist church at Concord. Rev. J. L. Wallace will have charge of the services. Interment will be made in the Concord cemetery.

He was a member of the Masonic order at Concord and also of Favorite Lodge No. 376, Knights of Pythians. The rites of the Masonic order will be given at the grave.

W. H. Fuller will sell 50 head of horses and mules Saturday, March 25th at Hale & Evans' Barn.

LOCAL MAN SECOND IN GOVERNORSHIP RACE

Rev. M. L. Pontius Wins Second Place in Governorship Contest at Decatur Wednesday—E. E. Baker of Kewanee Elected District Governor of Rotary Clubs.

At the annual convention of Rotary clubs held at Decatur Wednesday, E. E. Baker, head of the Western Tube Works at Kewanee, was elected district governor. Rev. M. L. Pontius of this city won second honors and the third place in the race went to H. E. ("Dad") Rempel of Joliet.

The election was held just before noon and was followed by a street parade, participated in by the 1,200 visiting club men. A banquet which was served last night was the final feature of the convention program.

There was a well defined rumor at the convention yesterday that the Illinois district may be divided into two districts at the national Rotary convention to be held at Los Angeles next June. If this action is taken it is very probable that Rev. Mr. Pontius will be chosen as the leader of the southern district. This district would include twenty-four clubs, according to the plan now being discussed.

A large number of local Rotarians went to Decatur Tuesday evening to be present at the convention Wednesday. The Illinois college band accompanied the Jacksonville delegation, returned Wednesday evening.

MRS. ROBERT LENINGTON IS CALLED BY DEATH

Former Resident Passed Away Wednesday in Chicago—Funeral Services to Be Held Here Friday Morning.

The death of Mrs. Robert Lenington, well known in this community, came Wednesday morning at the home of her daughter, Mrs. Gertrude Bartlett, in Chicago. Mrs. Lenington had been in failing health for some time, but her last illness was of comparatively short duration.

The deceased, who was almost eighty years of age, was the widow of the late Rev. Robert Lenington. The latter was for more than twenty years pastor of Northminster church in this city and prior to that time was for years a missionary in Brazil.

Since the death of her husband in 1904 Mrs. Lenington has made her home with her daughter in Chicago. She was a woman of exceptionally fine character, widely known and beloved. Altho it has been a number of years since the deceased removed from this city, she has many friends here among the older residents, to whom the news of her death will bring sorrow.

Mrs. Lenington is survived by three sons and two daughters. Rev. George C. Lenington of New York; Rev. Fred Lenington, of Sao Paulo, Brazil; Allen Lenington, of this county; Mrs. Gertrude Bartlett and Miss Effie Lenington of Chicago. One daughter, Margaret, preceded her mother in death many years ago.

The remains are to be brought to this city for burial. The funeral services will be held from Westminister church at 10:30 o'clock Friday morning, in charge of the pastor, Dr. Thomas W. Smith. Interment will be made in Diamond Grove cemetery.

A DISPLAY OF DRESSES OF THE BETTER QUALITIES WILL BE MADE IN OUR DRESS DEPARTMENT 2ND FLOOR, THURSDAY AFTERNOON. ABOUT 50 VERY BEAUTIFUL COWNS WILL BE SHOWN FOR THE FIRST TIME.

FUNERALS

Smith. Funeral services for Charles Lee Smith were held from the residence of his grandfather, 324 West Walnut street at 2:30 o'clock Wednesday afternoon in charge of the Rev. Walter E. Spoons, pastor of Northminster church. Music was furnished by Mrs. J. A. Scott and Mrs. J. M. DeFrates. The flowers were cared for by Mrs. William Bieher and Mrs. Ben Oliver. Burial was in Jacksonville cemetery.

Adams. Funeral services for the late Elmer Adams, who passed away at Clinton, Iowa, Sunday night, were held at 10 o'clock Wednesday morning at the home of his mother-in-law, Mrs. Maggie Moody, south of Chapin. The services were in charge of Rev. F. M. Crabtree, pastor of the Chapin Christian church, were of very impressive character.

Music was furnished by a quartet, including Monte Funk, Frank Calloway, Mrs. Monte Funk and Mrs. Fred Eller. The opening song was "Beautiful Isle of Somewhere." Mrs. Funk and Mrs. Eller sang as a duet "A Perfect Day" and the closing number by the quartet was "We Are Passing Thru the Valley."

The floral tributes were especially beautiful and were in charge of Misses Maude White, Vera Baker and Mamie Hagarty.

Interment was in Chapin cemetery, the bearers being Messrs. Roy Craven, Frank Holliday, Russell Brockhouse, Chester Williams, John Drake and Henry Vortman.
